JH Critique Spring Open Show 15th February 2025

SCKCS Club Junior Handling 15/2/2025

An unexpected treat to judge the Junior Handling at The Scottish Club's double Open Show this weekend.

Junior Handling 6-11 years:

1st. Mia Craney. Although only one on the day this young handler did not disappoint. She had a very light touch on her lead at all times and confidently controlled her young Blenheim Cavalier beautifully keeping her attention throughout her show. When asked, she showed her dog's teeth clearly and was extremely gentle both on the table and handling at all times. I had her full attention throughout and she had a good understanding of her chosen breed. Afterwards she listened to me with real interest to little points of advice I discussed with her. I shall follow this young handler's career with interest. Easily justifying her BJH award.

Junior Handling 12-16 years - No entries.

Judge: Carol Mackenzie (Calanru).
